Recuperation Care

Cramond

RESIDENCE

Edinburgh's Finest Care Home

The care you need to recover and get back on your feet after illness or surgery.

If you or a loved one needs help to recover after spending time in hospital, then a short-term stay at Cramond Residence is the answer. We provide the best possible care to help those in need of a restorative break recover their strength and get their health and independence back.

Recuperation Care

Getting you fit and well

Our recuperative and convalescent care is designed for anyone recovering after a hospital stay or illness. We'll provide expert nursing and therapeutic support tailored to your individual needs, while ensuring you have a luxurious and comfortable stay.

THE BEST CARE

We will deliver full continuity of care, liaising carefully with your hospital doctor or physiotherapist. Our unique on-line care plan app will allow your loved ones to check all is well.

THE BEST TEAM

Our team of highly trained health professionals will be available 24/7 to support residents with all aspects of their recuperative care.

THE BEST ENVIRONMENT

Even if you're only with us for a short while, you'll get all the benefits of our luxury accommodation along with the comfort and friendliness of home.

If you have any questions about any aspect of the care offered at Cramond Residence, please don't hesitate to get in touch.
